Customer Supplies

- All items to be installed i.e., pool, liner, filter, and any desired added accessories.
- Permit or any necessary approvals needed.
- Sand for pool base, the amount will depend on the pool size.
- Water to fill the pool.
- Electrician to install a GFCI receptacle for the filter and pump.

Site Planning

- Typically, the pool site will need to be 4' ft larger than the pool. To determine the amount of space needed for the pool site add 8' ft. to the pool size.

Example:

Round Pool ⇨ 21' ft. pool needs a 29' ft. site.

Oval Pool ⇨ 12'x24' ft. needs a 20'x32' ft. site.

Ground Leveling for a New Pool Site

The ground leveling is a separate fee, not included in the installation price. Fees are determined by:

1. The equipment being used.
2. The amount of leveling needed.

Equipment Options & Fees

Select the equipment based on access available:

⇨ **6' ft. Access - Bobcat / Skid Steer**

\$500.00 Price includes up to 6" inches of ground leveling, thereafter is \$25.00 per inch.

⇨ **3.5' ft. Access - Small Bobcat**

\$800.00 - Price includes up to 6" inches of ground leveling, thereafter is \$25.00 per inch.

Small Bobcat can be used for pools:

- 21' ft. Round or Smaller
- 15x26' ft. Oval or Smaller

⇨ **Less than 3.5' ft. - Hand Digging**

\$800.00 - Price includes up to 6" inches of ground leveling, thereafter is \$25.00 per inch.

Hand Digging can be used for pools:

- 18' ft. Round or Smaller
- 12x18' ft. Oval or Smaller

Replacement Pool Site Preparation

Landscaping: Existing landscaping i.e., rocks, mulch, pavers, within 2' ft. of the pool will need to be pulled back. If you would like us to pull the landscaping back, we charge \$300.00 for this service.

Expanding the Pools Footprint: The footprint of the pool needs to be expanded 2'ft. and leveled to match the existing site. Our fee is \$500.00 for up to 6" inches, If the pool was buried or backfilled over 6" inches each additional inch is \$25.00. If you prefer to take care of this aspect, please ensure the area is dug out and leveled to match the existing footprint to avoid additional fees.
